◆◆ FHANA / KFPS Friends:

When we first joined FHANA, it was to learn more about the Friesian horse. We then bought our first bred mare, and upgraded our membership to a full membership for foal registrations and keurings. Now we have multiple horses and continue to support FHANA -and- KFPS as a business member. We have gained so much knowledge and experience, as well as, numerous friends and clients, through our membership.

We are now at a turning point. We no longer see ourselves as members. We see ourselves serving and promoting a philanthropic need by protecting and preserving the Friesian Breed. Paying a yearly FHANA/KFPS membership due is one way to give. We also give our time. And lots of it. From serving and volunteering at a local level to serving the entire North American membership as a FHANA board member, I commit time and money, but most of all my heart to ensure this truly amazing animal thrives for years to come.

I urge every Friesian lover to join me on this journey and stand beside me as a proud FHANA / KFPS Member.
